# About Our Organization

## The Reconciliation Movement

Mental Wellness Reconciliation, Inc DBA Reconciliation Movement is a non-profit organization that recognizes trauma as a driving force in criminal behaviors, unruliness, and division of families. We are always looking for resources to help people with mental health resources in addition to creating community platforms with other non-profits, churches, and other organizations to provide HOPE for our future!

**Join Us~Donate~ww4mh.life**

# Vision

Youth and families will live in safe neighborhoods with less crime and be self-sufficient through their behavioral, educational and employment achievements.

# Mission

**01-Outreach**

Through our community collaborations we provide human services interns who are supervised by seasoned professionals to provide resource linkage and mental wellness services .

**02 - Education**

Wholistic Wellness Psycho-Education for all grade levels, churches, organizations, companies, and agencies.

**03 - Life Coaching**

Wholistic Wellness Lifestyle & Career Coaching for teenagers, young adults, and others who are seeking purpose and fulfillment in life.

**04 - Counseling**

Wholistic Wellness Mental Health Counseling for youth, adults, and families through our Brief Intervention Services.

# Community Outreach Model

## It is ALL Connected

**In Georgia, 21.3% of the population lives below the national poverty line in 2020 - ADP Reported**

**VIOLENT CRIME - GBI Reported**
**1 every 18 Minutes and 52 Seconds**

**Georgia ranks 48th in 50 states and DC for access to mental health care, resources and insurance - MHA of Georgia Reported**

## Trauma Awareness

There are Common Reactions to Trauma that prevents people from being able to complete goals in life and it creates barriers to educational and vocational achievements. It increases the poverty mentality, mental illness, substance abuse, and it can lead to non-violent and violent crimes.

We assist programs with a cost-effective solution that identifies risk and needs during registration & intake processes. Participants are assigned to a level of support. We provide the program participants with extra support to accomplish their goals and the organizations goals.

**Program Completion Increase**
**2017-2020**
**67% - 82%**

**Participants~Staff Ratios**
**2017-2020**
**212 - 1:15**

# Key Components

### 01 Individual Needs

Identifying the Risk & Needs of program participants increases successful outcomes.

### 02 Structure, Accountability, & Responsibility

Providing our Community Collaboration Structure provides an extra level of accountability by participants and it allows organizations to mainly focus on the program's responsibilities.

### 03 FREE to Low Cost LIfe Coaching & Mental Health

Utilizing interns, donations, insurance, sliding fee scales, and grants to provide professional mental wellness services when participant's income and insurance resources are unavailable.

### 04 Filling the GAPS

We fill the gaps in Communities with Faith-Based Professional Services, Alternative Medicine, and Access to Professional Mental Health Resources.

# Thank You!

**Because, we're here to help...**

We hope to be able to service communities across the state of Georgia and across the world!

Thank you for your time.
